^{*} The Board of Directors proposes a dividend of DKK [7.5] per share for the H2 2023, totalling DKK 6,466 million to be paid out of the net profit for the Parent Company. Dividend for 2023 of a total of DKK [14.5] per share consists of a proposed dividend of DKK [7.5] per share for the second half of 2023 and an interim dividend of DKK 7.0 per share that was paid in connection with the interim report for the first half of 2023.

^{**} Based on strong performance in the first half of 2023 and strong capital position at the end of the first half of 2023, the Board of Directors approved an interim dividend payment of DKK 7 per share, corresponding to 59% of net profit for the period. Net of dividends on own shares, the amount paid out in July 2023 was DKK 6,011 million.

***The general meeting on 16 March 2023 adopted the Board of Directors' proposeal that no dividend will be paid out for 2022.

^{****}To ensure prudent capital management with a high degree of flexibility in light of the Estonia matter, the general meeting edopted the proposal for an initial dividend payment of DKK 2 per share that was paid out in March 2022. The remaining DKK 5.5 per share was intended to be paid out in three tranches following the publication of the interim reports in 2022, subject to a decision by the Board of Directors. On 28 April 2022, the Board of Directors decided that Danske Bank would not pay out dividends in connection with the interim report for the first quarter of 2022 as Danske Bank had entered into initial discussions with U.S. and Danish authorities on the resolution of the Estonia matter. No dividends were paid out in connection with the interim report for the second quarter of 2022 as the discussions with authorities were still ongoing. In light of the additional provision for the Estonia matter made in the third quarter of 2022, the Board of Directors has decided to cancel the remaining dividend for 2021.

¹Net profit for 2022 has been restated due to changes in accounting policies. Refer to note G2 in Annual Report 2023 for more detail.
